As a versatile freelancer, I work on several personal and professional projects. My experience spans various mediums and themes, including digital games, children's books, animations, board games, digital and physical zines, and interactive stories.

PROFESSIONAL EXPERIENCE

Independent Design Consultant, Pune, India (REMOTE)

2018 - Present

Here are some highlights from 2025-2024:

- **Shabad Dhun Foundation** - worked on a *Phad* inspired light & sound story, wrote and illustrated a children's story, worked on an animated film currently being used both within and outside curriculum bounds.
- **The Queer Muslim Project** - working as a Design Consultant for a digital magazine with support from the Goethe Institute
- **Living Lightly** - produced an animated film along with Srushti Paranjpe for the Living Lightly Utsav

Zynga Inc, Bangalore • Associate Game Designer

2021 - 2023

Worked as the sole game designer on a Slots game called Black Diamond Casino. I also aided with narrative design for several hybrid-casual and casual game concepts.
